

Declaration

Eurocircuits Kft. is supplier of bare Printed Circuits Boards, which implies that the product is not a chemical product.

The supplied goods cannot release any kind of substance under normal circumstances.

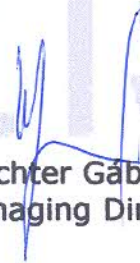

Eurocircuits Kft. is a so-called "downstream user" and not obligated to register for Reach nor to create a Material Safety Datasheet (MSDN).

Nevertheless we are aware of our responsibility towards Reach. We share all relevant information with our suppliers to ensure using safe chemicals in our manufacturing processes.

We agreed with our suppliers that the datasheets will be issued according to the new REACH regulations.
